

LFMS ASB Needs Your Help!

Due to an arson fire over the summer, the LFMS ASB shed was burned to the ground. Inside the shed were items used by the school for ALL school activities on campus. With our current fiscal crisis, there are no available funds to repurchase these items. The LFMS ASB is hoping you can help. Listed below is a partial list of items that were in the shed. If you happen to have any of these items (new or gently used), they would love your donation! All items can be delivered to the LFMS front office.

Items lost in the Arson Fire (new or gently used would be great!):

Popcorn Machine
Large Size Plastic Tubs & Crates for storage (Christmas decoration size)
Coolers with wheels
Tall orange sports coolers w/pour spouts.
EZ-Ups (ASB had just purchased 7 of these before the fire ☹)
Safety Cones
Caution Tape
Plastic Tables (oblong – like the ones from Costco)
Storage Shelf Units
Extension Cords (with and without surge protection)
Nerf Basketballs & Footballs
Blind folds/ Bandanas
Flags on a string/rope
Tempera paint for posters (all colors)
Staple Guns and T50 refills
Kangaroo balls (bouncy balls)
White Paper & Plastic tableware
Paint brushes
Scrap booking materials (scissors, templates, markers, etc.)

THANK YOU in advance for your donation and assistance!

We appreciate all of your support!
